

Discover the Worksport SC4 PRO, a soft tonneau cover designed to allow 100% full bed access

The **SC4 PRO** is a premium full-bed access soft tonneau cover unique in the market. It's the only folding cover allowing complete, unobstructed use of the truck bed from bulkhead to tailgate.

The Worksport Way

Proudly made in the USA

Worksport proudly manufactures all hard tonneau covers in our state-of-the-art facility in upstate New York. We are committed to producing our entire product lineup in America, including the revolutionary SOLIS tonneau cover, which will generate clean green power anywhere you go.

Available Local Experts

At Worksport, we're committed to providing the best customer experience possible. This is why our dedicated Customer Service is located in both Canada and the USA, ensuring you get the help you need from a team that understands your requirements.

Lifetime Support

We stand by our products and will address any issues or questions the entire time you own a Worksport tonneau cover. When you buy a Worksport product, you're not just buying a truck accessory; you're getting a partner the moment you decide to make your purchase.

The Worksport Advantage

Security

Worksport tonneau covers keep exposed cargo covered and out of sight, deterring potential theft.

Quality Guarantee

Designed for truck owners by truck owners. Years of experience and testing go into every Worksport product.

Warranty

Lifetime warranty on any defective materials and craftsmanship..

Key Features

- Flips up for full bed access
- Quick and easy installation
- Ultra-lightweight
- Tear resistant tarp
- Weather resistant Q-seals

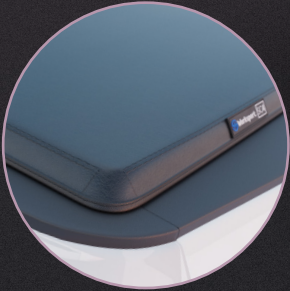

Find your Fit

SC4 PRO latches slide in cross-member channels, ensuring easy adjustment and proper fitment.

Easy to Install

Ultra-lightweight design makes installing and removing the **SC4 PRO** a breeze.

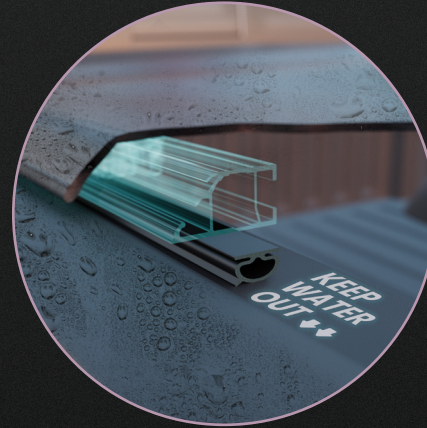

Premium Vinyl Tarp

Workspport soft tonneau covers are made using a UV-protected, seamless one-piece vinyl tarp, offering superior weather resistance and maintaining an exceptional appearance.

Perimeter Q-Seals

Workspport Q-Seals offer superior weather protection for your cargo, keeping water out to ensure that the contents of your truck bed remain clean and dry.

Extra Security

The **SC4 PRO** keeps your cargo out of sight, preventing your truck from being a target for theft. It also has two additional mid-latches that provide enhanced protection against forced entry, especially when paired with a locking tailgate.

Full Bed Access

The **SC4 PRO** is uniquely designed without a dead panel to maximize the use of your truck bed. Its innovative bracket system eliminates cumbersome drainage rails that intrude into your cargo space.
